Office of Legislative Counsel

Monday - 3 August 1959

STAT

1. [] in OSI called to request that [] be permitted to sit in on the Joint Committee on Atomic Energy debriefing of Admiral Rickover. George Murphy on the staff of the Joint Committee was advised of our request and he will be in touch later.

STAT

STAT

2. [] again attended a meeting in the office of the House Legislative Counsel. This was to assist further in the drafting of the House Post Office and Civil Service Committee report on H. R. 7758, the Overseas Allowance bill. It is expected that a final draft will be completed by the middle of the week. It will then be referred to us for a final review.
